

## **GREETINGS, MAGICIANS!**

You have found your way to our realm, divinely guided to revive Magic in the world. As within, so without. This is where everything begins, and this is why we assemble here today.

You may have thought that the last time you saw me was 300 years ago.

Yet, here we meet again.

Everything you have experienced until this point has brought you here.

And now, we are thousands and thousands bringing Merlin's principles forth to realise the unimaginable.

In this realm of edible delights, Chef Michael Magliano, also known as "Chef Mags", turns ancient tales into epicurean wonders that enchant the senses and ignite imagination.

We are renowned in the realm as the first restaurant in the world where the food chooses you. You can also choose a la carte, whatever may resonate with you, so much is yet to be revealed through your own senses...

May the stars always align in your favour.

In-Joy,

Merlin's

## SPECIAL BLENDS

### DARJEELING

55

The queen of teas. Delicate and refreshing with nuanced floral characters. Darjeeling is one of the world's most celebrated teas. Our comes from the second flush of the Makaibari Tea Estate, a very special biodynamic and organic garden perched amidst the cool foothills of the Himalayas.

Notes : It's a beautifully balanced cup with aromas of red cherry and lovely zesty finish.

### ORIGINAL CHAI

55

Our take on India's much-loved Masala Chai is an aromatic blend of premium Indonesian black tea and 100% Bali-grown spices. We use real pieces of cinnamon, cardamom, ginger and cloves to create a warming cup with a mellow sweet-spice finish.

Notes : Serve with whole milk and sugar for the most authentic taste.

### PAI MU TAN

60

Made entirely by hand. Pai Mu Tan is traditionally cultivated in the finest garden of the Fujian province in China. Our version comes from a rehabilitated garden in Sumatra where the tea pickers meticulously pluck each leaf set to contain a bud and two leaves.

Notes: Elegant yet earthy, it yields a pale straw-colored cup with alluring herbal aromatic.

### MOROCCAN MINT

55

Our version of Morocco's most loved beverage is a blend of fine Javanese green tea and imported spearmint.

Notes : Fragrant and refreshing with just a gentle hum of caffeine, it is a great midday mood booster

### GUNPOWDER

60

This unmistakably smoky green tea earned its name from the gunpowder-like appearance of the dry, balled-up leaves

Notes : Our locally produced yields a bold, refreshing cup with an earthy, smoky aroma and refreshing astringency

## SPECIAL BLENDS

### INSPIRED BY ANCIENT AYURVEDIC WISDOM

#### PITA

55

According to ancient Ayurvedic knowledge, cooling herbs help to **neutralize fiery, hot-bodied Pitta character types. That's exactly why peppermint is the star ingredient of our Pitta infusion.**

Cardamom, coriander and white tea add calming properties and balance to the blend.

#### VATA

55

Our Vata tea is made from a specific blend of herbs believed to balance and nourish the Vata body type. Anise seed, ginger, cardamom and chamomile come together in the exotically spiced infusion.

#### KAPHA

55

Our Kapha infusion is a sultry blend of cinnamon, ginger, black pepper, cloves and green tea. Aromatic and beautifully balanced, the sweet spices and peppery kick provide a gentle and 100% natural pickme-up.
